CHRIS- Went from 23 down to 15. It's ok. The group he has is really good. It's coming along. Changed rehearsal from Thursday to Saturday 9-1:30 with a 30 food break. Great group of kids, didn't complain. Needs to take Ella Baldwin, Braden Christensen & Mariah Reaves to go do a presentation for Amy Williams' class.

In February Chris would like to do a showcase because it would be really good for recruiting.

Color Guard / Winter Line will try to pick up Sadie Hawkins

**Then an avalanche occurred out the back and we all panicked. Talked fast. Wrapped it up.

JOEL - We didn't loose anyone at semester so Joel says that's the best compliment he can receive. Feels so good. The possibility that could still occur before Friday. Significant flaw with the audition thing for band. Asked for auditions to be sent to Joel. Most did. Some tech issues. Joel will have them resubmit for those who didn't do it. Joel letting student's know. They will have 5 days to resubmit. Band sounded great today and it was good to hear them.

Joel wants to take Jazz to do a mini-tour. Would take to schools where they don't have a jazz band. HWY 95 to McCall or go to Pocatello. Would be maybe a 3 day thing and wouldn't be as expensive. ISU staff would do it for free. Maybe do that the last week of April. Concert band festival is about April 19. but he thinks it's more like the 26th. Going to do a Wednesday night concert with the TV Concert Band.

Need to talk to Nick about finalizing some things for the 25th performance and indoor costuming needs. Will let us know.

Motion to adjourn- Bonnie, 2nd- Chris PASSED!
