

Fruitland High School Marching Band & Color Guard

“The Pride of Western Idaho”

Become a Grizzly Band & Color Guard Sponsor today!

The Fruitland Grizzly Marching Band & Color Guard is offering you the opportunity to become a band sponsor and support this exciting organization by purchasing advertisement on the sides of the band trailer.

The Band’s Semi Trailer is a vital part of the logistical operation of the marching band and color guard. When we travel it always catches the eyes of many on the road as well as at our destinations. When not on the road, it act as a billboard in the school parking lot near the band room and is seen by thousands of people from Fruitland and the surrounding communities while attending events at the school.

If you choose to help us in this way, you will be helping a student pay for the cost of participating in all of the fulfilling events that the band makes possible. You will also be helping to support the general costs of operating this great music machine that gives so much back to this very supportive community.

The advertisements you purchase are approximately 12” by 24” and will appear on both sides of the trailer. As a sponsor you will need to provide your logo or a design and FHS Band & Color Guard Boosters, Inc. will have your advertisement made and placed on each side of the trailer.

Sponsorships are for 1 or 3 years and ads are normally installed during the marching season.

Students that solicit a sponsorship will receive credit into their band account for one-half of the sponsorship. The other one-half of the sponsorship will go towards the ongoing expense of the band trailer such as maintenance, rental fees for truck to pull the trailer, fuel etc. as well as other costs associated with the band.
