

Band Booster December 11, 2018

Jeretta Shoemaker called the meeting to order at 6:00 and read through Executive Board meeting minutes Joel moved that they were approved as read, Jill seconded, motion carried.

Calendar Review Highlights:

January

14th – Awards night – Fruitland Elementary School 7:00 pm

February

25th – Winter Concert – Fruitland High School 7:00 pm

Member reports:

Color guard Report: They have been practicing on Saturdays. Chris told Joel \$4,000 worth of uniforms for 30 students need to be ordered for fall. Joel is concerned about that, as we don't have dedicated income to cover that. Joel will get more information from Chris, as we bought uniforms last year, and this order does not include shoes, gloves or shipping. Jill suggested using same base every year and then just buying a wrap each year.

Jill: Concert last night, but did not get money counted. Most people were aware of the entry fee, but a few were not, and Jill explained that the fee went towards running the band program. Jill did charge a senior rate of \$3 if someone asked. She will get it counted and send out an email.

Willa: Went to Buck's Bags and talked to Steve Nyce, and he is supposed to email her a quote. She will follow up with up. She also asked them to quote repairing a couple of the older bags. Steve gave her a catalog for compression shirts, which she passed on to Joel. Willa has a co-worker whose spouse is going to look at the trailer.

Band Director's Report: Joel Williams The Holiday concert was good, and the kids did a nice job. The 6th graders are a good starting group and 6th and 7th graders all felt really good about their performance.

Trina: Sent Verna an email regarding flags for Notus.

6:28pm Willa moved that we adjourn and Jeretta seconded. Motion carried.
