Member reports:

Angelo: When is senior night for Pep Band? Joel said it will be at the last boys' basketball game in February.

Color guard Report: Joel reported that the auditions went well and show will be a Pandora's Box of sorts.

Band Director's Report: Joel Williams

Really good year in marching band. Design of program was good. Learned some design things from this show, which is good. Kids need to work on music memorization. Joel enjoyed the process. Wants to do an earlier competition in next year for feedback. Thanks to all who helped.

Pep Band has had a few rehearsals and tonight is the first game. Veteran's Assembly was yesterday, and they did a great job.

Willa and Joel met to talk about uniforms. They are on the cusp on placing the orders. Looking into uniform bags from Buck's Bags.

6:00 pm Willa moved that we adjourn and Bonnie seconded.
