Rob: will send out a remind regarding parents helping on Friday's half-time.

Band Director's Report: Joel Williams

Gave a thank you all adults who helped with the trip. Highlights; no bus problems and students were well behaved and were where they were supposed to be. They performed well and were polite. The trip was a success, and now we need to focus on the show. There will be a jacket change during the show, and we need to figure out the details on this. Jill suggested a folding wagon behind each panel and one at the pit to hold jackets. Costco has them for pretty inexpensive, and Rob suggested we just purchase them. Jill asked if this is a uniform or a booster purchase? Jill proposed we approve a budget of \$300 to make this happen.

Jill moved that we adjourned and Trina seconded. Motion was approved.
